

## EVALUATION QUESTIONNAIRE

***This survey designed by Fundi Bots aims to find out your thoughts and attitudes towards science. This is part of a study by Fundi Bots to measure the impact of its interventions. Please be open and honest in your responses. Your responses will be kept confidential***

Student Details	
School Name	
Student Name (Optional)	
Age	Gender:
Class	

1. Would you like to pursue a career in STEM (Science, Technology, Engineering, Mathematics)?
  - a. Yes
  - b. No

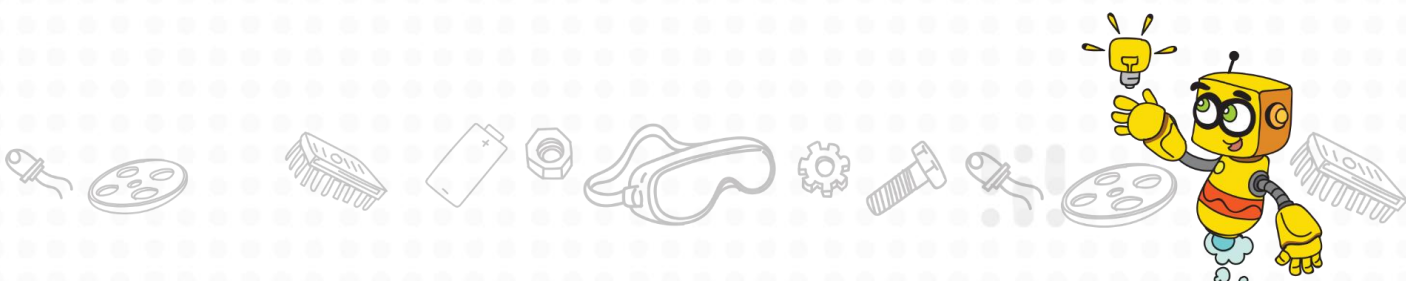

***If no, skip to question # 4***

2. If yes, please tell us what that career is? *(Circle one)*
  - i. Electrical Engineer
  - ii. Mechanical Engineer
  - iii. Doctor/ Surgeon
  - iv. Aeronautical Engineer/ Pilot
  - v. Architect
  - vi. Computer Scientist/ IT
  - vii. Other: \_\_\_\_\_

3. If yes, what are steps are you currently taking to achieve this goal?

4. If yes, what has inspired you to pursue a career in STEM?

5. If yes, how?

6. Do you participate in any of the following co-curricular science activities? *(Circle all that apply)*
- Science Fairs
  - Science Quiz
  - Science Camps
  - Science Club
  - Other: \_\_\_\_\_
  - N/A

***If N/A, please skip to question # 9***

7. If you participate in any co-curricular science activities, how often do you participate?
- More than once a week
  - Once a week
  - A few times per term
  - Once per term

**Skip to question #11**

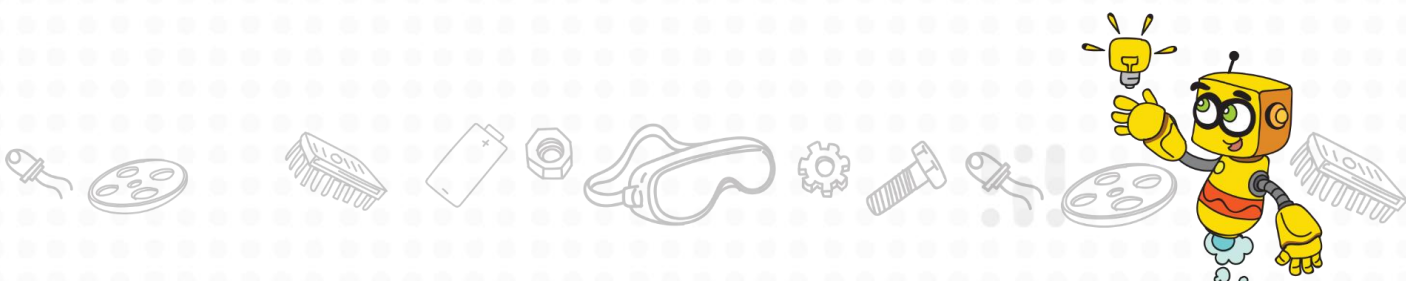

8. If you **do not** participate in co-curricular science activities, why don't you participate?
- Not enough time
  - Lack of materials
  - No Teacher/ adult to help you
  - Other: \_\_\_\_\_

9. Do you have a science club at your school?
- Yes
  - No

***If no, please skip to question # 12***

10. If yes, does the science club help you to understand science concepts better?
- Yes
  - No
11. If yes, how does it help you understand science concepts better?

12. Do you work on science projects in your free time (outside the classroom/ at home)?
- Yes
  - No

***If no, please skip to question # 15***

13. If yes, who are you working with on the science project?

- a. I am working by myself
- b. I am working with classmates or friends
- c. I am working with a teacher
- d. I am working with a parent/guardian
- e. Other: \_\_\_\_\_

14. If yes, please explain what science project you are working on in your free time.

15. Have you ever identified a problem in your community that could be solved by science?

- a. Yes
- b. No

16. If yes, what is the problem?

17. How do you think the problem could be solved using science?
