

Dear Student

Luigi Giussani Institute of Higher Education (LGIHE) is carrying out an endline study on teaching and learning in this school so as to assess the achievement of the goals, objectives and indicators of the project as a result of the project activities that have been implemented in your school for the period 2017-2019.

This tool therefore has been designed to help establish the levels of soft skills among students. The tool also collects information on home and other school factors that influence students' studies.
